

K-LOVE Radio is a very important part of my family's life and I feel it is a tremendous benefit to our community. I think that if K-Love were displaced by an LPFM broadcaster, it would be devastating. To be able to hear Christian messages and music is an irreplaceable benefit to myself and my community. There is so much negative going on in the world and to be able to turn on KLOVE and hear positive things is a blessing. Please, do not replace KLOVE. Thank you.
